

SENSOR® BP

Experience the freedom of cordless vacuuming.

The battery-powered Kärcher Sensor® Bp delivers the freedom to vacuum without hassling with a power cord! Providing the utmost safety by eliminating the risk of trip and fall accidents, this latest Sensor® product innovation will ensure we remain the long-standing market leader in upright vacuums.

36/75 Power+ Battery with Fast Charger

- Eliminate winding, dragging and untangling the power cord
- Greater productivity with long run times and fast charging times
- Same Power+ battery system used on other Kärcher professional products means you can switch batteries when needed

Productivity in mind

- Save time by not having to locate an electrical outlet
- Flat to floor feature allows for easy cleaning under furniture
