

SENSOR® S

Reliability with the most value.

The industry's workhorse vacuum with a proven reputation of reliability. The Sensor® S is the trusted upright vacuum with a proven reputation of reliability, performance, and ease of maintenance. With a single-motor design and a light handle weight, this machine is comfortable to operate and provides optimal performance. This machine utilizes a single motor to cut down on weight in order to reduce operator fatigue and increase productivity.

Reliability leader

- We have been building quality upright vacuums since 1979.

Productivity in mind

- Ultra-light handle weight allows for strain-free operation.
- Flat to floor feature allows for easy cleaning under furniture.

Breathe easier

- The Sensor® S comes standard with a high-efficiency filter that traps up 99.6% of particles at 0.3 microns.

SENSOR® S12

SENSOR® S15
